

GRUENDELPARTNER advises TGFS on financing round of SARALON

Together with Technologiegründerfonds Sachsen (TGFS), specialty chemicals group ALTANA has participated in the financing round of SARALON GmbH.

SARALON specializes in the development of inks for printing electronics and offers prefabricated electronic components with which printers can quickly build up capacities for printing electronics (e.g. batteries or sensors).

TGFS has accompanied SARALON since the seed phase.

GRUENDELPARTNER provided legal advice to TGFS in this financing round.

GRUENDELPARTNER's M&A, Venture Capital, Private Equity practice group is one of the most experienced and staffed advisory units in Central Germany and supports investors and entrepreneurs in all development phases, in particular in company formation, company set-up, company financing and all exit processes.
